Hi Audrey,  
Attached above are concurrence sheets and enclosures re: draft 401 certification requests to Ecology and Colville Tribes on the Grand Coulee Dam permit. The letters are at G:\Baker\Water and Watersheds\N P U\Correspondence\For Signature – 2018\. I've also attached the routing sheet with Susan's and Courtney's concurrences on the permit and fact sheet.

Please mail the two enclosures (permit and Fact Sheet) with each letter. Unfortunately, I'm in an all-day meeting on Thursday so can't print them out for you, Audrey. After getting Mike's signature, if you can pdf it and mail me the signed letter, I will send it out to the cc:s.

Mike, heads up on these letters. FYI, I'm out in Lacey tomorrow at an all day meeting on Oregon temperature TMDLs that several people are going to. I have to present something at the meeting. I'll be working from home on Friday morning.
